ABOUT US

Bestmas Furniture Design Sdn Bhd (Company no. 635741-T) is a company that provides kitchen and wardrobe solutions. It was incorporated in 2003 under the Companies Act, 1965. The company provides a fully integrated value chain from designing, product development and manufacturing, to installation of kitchen and wardrobe systems.

Precise Concept Design For Stylish Living

Bestmasmanager is one of the division for Bestmas Furniture Sdn Bhd. It is an one stop center for interior design, custom furniture design, project management, renovation and construction. Bestmasmanager provides professional and creative services that are gracious and ultimately reach the needs of each client. The team fully immerse themselves in the project working with their clients in order to find out what truly suit their clients.

People want their home to be unique

When the public shared photographs of their home, we saw they were remarkably distinct. The same furniture, same arrangement, same wall design was used differently by different people. From this we have known something, people want their home to be unique. We also realized that people are more enjoyable creating things than just buying things. In Bestmasmanager, we have creative, experienced and imaginative team to serve our value customer.
